

KENSINGTON

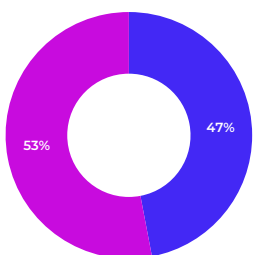

Source: Route

A trio of portrait digital out-of-home screens situated on both sides of the busy A4 Cromwell Road, attracting high traffic and footfall levels. The screens are close to Gloucester Road tube station and are the last advertising site before the famous Harrods department store.

The Cromwell Trio is perfect for reaching an affluent Kensington & Chelsea audience, as well as targeting the busy A4 traffic travelling to Knightsbridge, Hammersmith and the M4.
