

WIMBLEDON

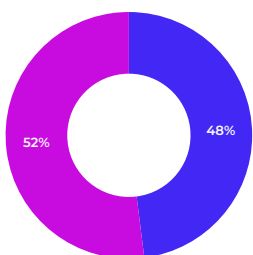

Source: Route

A digital screen in the heart of affluent Wimbledon, in the high street, close to the station and Centre Court, the large shopping centre. Wimbledon is a large suburb in southwest London and is home to the Wimbledon Tennis Championships, which runs every summer and sees an influx of visitors from all over the world.

The area lies only 7 miles from the West End which means it has a large commuter population, as well as young families who want the green spaces it can offer.
